Simply photostat this questionnaire as many times as you need and hand out at the beginning of each season to your players and club members. Offer a suitable prize depending on the entry fee and membership of your club. We suggest a £1 pound entry fee with a prize of £25. A target entry level of around 100 will give you sufficient profit to make it worthwhile. Ensure that all your entry forms are returned by the 1st of January following the start of that season. Obviously sell as many as you can before the deadline to maximise club funds. Insert your club or promoter.
